

CPNP: join the best minds in psychiatric pharmacy

OUR MISSION

Serving you as we advance the reach and practice of psychiatric pharmacy and serve as the voice of the specialty

WHERE PHARMACY AND PSYCHIATRY MEET

CPNP's annual meeting and year-round educational programming are dedicated to improving your psychiatric pharmacy skills

PARTNERSHIPS

CPNP represents psychiatric pharmacists in a growing number of partnerships and initiatives

COMMUNITY

11 CPNP Communities virtually connect members with similar interests online and via email

SCHOLARSHIP

The Mental Health Clinician (MHC) is the only peer-reviewed journal providing clinical insights for and from psychiatric pharmacists

EDUCATION

CPNP produces 50+ hours of CPE designed specifically to meet the needs of psychiatric pharmacists

PROFESSIONAL GROWTH

CPNP supports the psychiatric pharmacist as they progress from student to resident to BCPP and every step along the way

COLLEGIALITY

CPNP works with other pharmacy and health care organizations to maximize contributions and resources

VOICE

CPNP represents you as the voice of the profession

NEWS

CPNP helps you stay current on the latest trends in practice

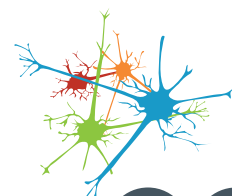

ADVOCACY

CPNP responds to pressing issues and represents you with legislators and regulators

COLLABORATION

2,000+ CPNP members ask and answer your questions on the community email lists
